

Volunteer Facilitator Training

Imagine offers free grief peer support services. If you have an interest in helping children and families grow through their grief; if you care deeply about children/teens and love to listen to them; if you are able to provide a safe and trusting space for children to share their emotions; and if you can make a commitment of time and energy to work with our families, we have a place for you.

Friday 3/22
5:30-9:30pm

Saturday 3/23
9-5pm

Sunday 3/24
9-5pm

Monday 3/25
5:30-9:30pm

must attend all four days of training

In this training you will:

- learn and practice listening and facilitation skills
- gain an understanding of group dynamics
- become more informed about grief and how it impacts children and their families
- learn ways to support youth after a loss so that no child in Newark grieves alone

Volunteers come from all walks of life and need no special background other than a willingness to listen, a heart inclined to serve, and the ability to be with children and adults in pain without trying to fix, solve or give advice. Volunteers must be 21 years or older. All volunteer facilitators will be provided with a stipend upon completion of the training, in addition to a monthly stipend for facilitating an ongoing support group.
